Welcome from the Chairman—Karl Chapman

Welcome to Wymondham athletic Club. I am assuming that if you are reading this you are already running or you are about to take your first steps into a new experience. Either way novice or experienced I am sure you will find what you are looking for at WAC.

Wymondham AC has been around since 1978 when it was first formed as Wymondham joggers and has grown into a well-established club with well over 100 members.

The club aims to encourage and develop members running to achieve their goals, whether this be to just get fit, complete a race or beat that elusive personal best.

The club has many qualified coaches with a varied and in depth knowledge of all race distances for all abilities. Training sessions are based around Mondays & Thursdays at 6.30pm

Mondays The club House, Wymondham Rugby Club, Tuttle Lane Wymondham

Thursdays Hethersett Old Hall School, Hethersett
April-September grass track
September-April UEA track
All year Circuits – HOHS

Many members also meet up in groups at other times during the week so you will always be spoilt for choice with your training.

On the other hand, its not all about running. The club is as much about meeting new friends as it is running. Monday nights always finish with a cup of tea and biscuits to help recover and a good chat to other members.

The club also arranges house runs, BBQ's and the year is always finished off with a presentation evening and dinner dance.

The club publishes a seasonal newsletter '*Footprints*', which relies on articles from other members, so if you want to share your experiences with others this is the ideal forum. It also keeps you up to date with all the latest club news and future events.

I hope this gives you a picture of what the club is about and I look forward to meeting you in person.

COACHING STRUCTURE

Wymondham A.C. has a broad range of coaching available to members. The Club meets on Monday nights at the Rugby Club, Tuttles Lane, Wymondham 6.30pm onwards. Coaches are available to present and take coached sessions. A list of which is available on the notice board and website, these are updated seasonally.

The coaches are also able to provide schedules for runners training for marathons, Half Marathons, 10k/5k races.

On Monday Club nights the Coaching team aims to offer at least 3 training programmes to cater every runner.

There will be a set for the fast, intermediate and easy paced groups and cover all aspects of training for both on and off road running. These programmes are set to meet runner's needs in the forthcoming races.

After group training there will normally be an Abs session inside the club house, this session is available to all runners for basic core strength and stability. Mats are provided.

The Coaching team also provides sessions on Thursday nights. Sessions take place during the winter months at the all weather track at UEA Sports park from 6.30pm onwards the current cost is £3.50 per runner which is paid on entry to the Sportspark.

As an alternative to track running, circuit training is provided at the full size and excellently equipped gym at the Old Hall School, Hethersett. These sessions commence at 6.30pm for 1 hour the cost is included in your membership.

During the summer months we use two venues, the excellent grass running track at Old Hall School and the Grass track and trails at Colney Lane, near the UEA and Earlham Park where coaches provide a mixture of sessions commencing at 6.30pm.

CLUB RACES

Wymondham Athletic Club organises a number of open races that are well supported by other Club Runners. These help to boost our club funds as well as subsidise the membership fees.

Races are organised by the club race committee but race day requires large numbers of people to help with marshalling, registration and other duties. With this in mind we ask all members to help on race days in anyway they can.

These are A5 size (210 x 149mm), printed on light card and suitable for framing. The colours are consistent for the classes throughout the age categories.

Silver	Platinum Award

The year of Issue will be displayed on the Certificates. The Certificates/Awards will be a one off issue and the recipient will become a bronze class runner and so on depending on the standard he or she has achieved.

Application forms will be made available and all members will be encouraged to participate.
